Item 1.01 *Entry into a Material Definitive Agreement.*

In May 12, 2026, Visa Inc. (“Visa”) settled its previously announced exchange offer (the “Exchange Offer”) for any and all outstanding shares of its Class B-1 and Class B-2 common stock, the terms of which were described in the prospectus, dated April 13, 2026, constituting part of Visa’s registration statement on Form S-4, as amended (File No. 333-294062).

In connection with the Exchange Offer, Visa entered into makewhole agreements (collectively, the “Makewhole Agreements”), effective May 11, 2026, with the holders of the Class B-1 common stock and Class B-2 common stock accepted in the Exchange Offer and, where applicable, such holders’ respective parent guarantors.

Under the Makewhole Agreements, each participating holder is obligated, after the value of the Class B-3 common stock it received in the Exchange Offer has been depleted through downward conversion rate adjustments, to reimburse Visa in cash for the portion of any future deposit into the U.S. covered litigation escrow account that, but for the holder’s participation in the Exchange Offer, would have been absorbed by such holder through downward adjustments to the conversion rate of the Class B-1 common stock or Class B-2 common stock, as applicable, it tendered in the Exchange Offer.

The Makewhole Agreements also provide for the staged transfer of the Class C common stock that participating holders received in the Exchange Offer. A participating holder may only transfer up to one-third of the Class C common stock it received in the Exchange Offer prior to June 25, 2026, and only up to two-thirds of the Class C common stock it received in the Exchange Offer prior to August 9, 2026.

The foregoing description of the Makewhole Agreements does not purport to be complete and is qualified entirely by reference to the Form of the Makewhole Agreement, filed as Exhibit 10.1 hereto and incorporated by reference herein.

Item 8.01 *Other Events.*

The information set forth in the first paragraph under Item 1.01 concerning the settlement of the Exchange Offer is incorporated by reference into this Item 8.01.

The estimated interchange reimbursement fees at issue in unresolved claims for damages in the U.S. covered litigation was \$17.4 billion as of May 11, 2026.¹

¹ This figure is estimated and approximated. The estimated interchange reimbursement fees at issue does not include interchange reimbursement fees attributable to claims in certain purported indirect purchaser class actions or any opt outs that have not asserted a claim for damages. The interchange at issue for unresolved claims will continue to increase. See U.S. Covered Litigation in Note 20—Legal Matters to our consolidated financial statements included in Item 8 of the Company’s Annual Report on Form 10-K for the fiscal year ended September 30, 2025 and any subsequent reports on Forms 10-Q and 8-K for more information on the Interchange Multidistrict Litigation (MDL) - Individual Merchant Actions.
